

ASHFIELDS CARRIAGE AND POLO CLUB

Green Street, Great Canfield, Essex CM6 1JU

British Carriagedriving National Championships.

Dear Competitor,

Thank you for your entry for the British Carriagedriving National Championships 13th-15th September 2013.

Directions to Ashfields can be found on our website but please telephone us if you have any queries or require further information. www.ashfieldscarriageandpoloclub.com

Please note that we have new signs at the end of our road which state 'unsuitable for HGV's' – please ignore them.

Please note that between the hours of 8pm and 5am road works are being undertaken and may lead to the B184 road being closed, this will affect you if you are coming off of the M11. Diversions will be in place but may only be suitable for normal vehicles. If you are in a lorry or towing a caravan and cannot avoid these times please telephone Zoe for alternative directions.

Remember please make start fee cheques payable to British Carriage Driving and if you have not included them in your entry you will need to bring payment along with your declaration form. Please note that **no** paperwork will be released without correctly completed forms and payment.

We have to return this to the BC office so that they know what horses have competed (ie, for selection and qualification results) and who is grooming for insurance purposes.

It is also a selection event for Horse Fours Pony fours, Advanced pony pair and Advanced single pony.

Saturday night is Pasta night, 2 free tickets per competitor kindly given to us by Lee Moss, if you wish to book some more tickets please purchase them when you collect your paper work. (cost £6 each) Then there will be Marathon prize giving and the Fenix driver of the year awards, if you have been placed, we would really appreciate it if you can be available to collect your awards.

Attached are the Provisional Dressage times and they are also being posted on the BC forum. Marathon times will follow next week. Please be aware that all times are **PROVISIONAL** and could be subject to minor changes so make sure you check your paperwork when you collect it from the office before the event

We look forward to seeing you
