**ARRIVING:** When you arrive please stop at the stable managers caravan (Julie and Peter Pethybridge) at the entrance to the show field. They will ask you to confirm who you have with you and if anyone else will be in your group bubble throughout the weekend. Please be patient as we have to make sure we have a list of everyone on the show field for Track and Trace as per COVID guidelines. Please keep your bubbles/groups to 6 or less people.

**STABLING:** We would ask that horses are kept off grass verges and that rubber mats are used in all stables. We have allowed electric fencing ONLY if you do not have side stabling, if you are using electric fencing, we would appreciate it if you could keep it to a small designated area and use rubber matting. The Area for this will be in the second stabling field at the far end, the stable manager will show you where to park. If you are hiring stables you must bring your own mucking out tools and wheel barrow.

**Dressage:** Arenas 1 & 2 are in the obstacle field. Please do not go down to the arenas until 20 minutes before your dressage test as there is not enough room for lots of turnouts to warm up.
