From Horsham (up North)

Follow the A24 south

Cross the A272 at traffic lights (McDonalds is obvious)

After 0.8 miles pass B2135 to Partridge Green on left (slow down and stay in the left lane)

After a further 0.4 miles turn into small lane signposted 'Rookcross Lane' (shown as Bassels Lane on maps).

If you reach Dial Post you have gone too far (turn right at Dial Post junction to do a U-turn and follow A24 North for 0.6 miles when the turning into Rookcross lane will be on your right.

Single track road

Take the left fork at a Y junction into Bassels Lane.

The stable field will be on your right after 0.3 miles

From the South Coast

Follow the A24 North

Approx 3 miles North of Ashington you will see two turn-offs to Dial Post on the left.

Turn right 0.6 miles after the second Dial Post turning into Rookcross Lane

If you reach the B2135 to Partridge Green on your right, you have gone too far and should turn round.

Single track road

Take the left fork at a Y junction into Bassels Lane.

The stable field will be on your right after 0.3 miles

Going home Northwards

You can turn right on to the A24 from Rookcross Lane but this is not advised for longer vehicles (your bum may hang out into the fast lane)

Longer vehicles should turn left (South) and turn right after 0.6 miles at the first junction signposted 'Dial Post'. This junction has a triangle and slip road allowing even long vehicles to double back and rejoin the A24 going Northwards.

Driving to the obstacles

The obstacles are about a 10 minute walk from the stable field (around 900 yards). It is possible to drive to the obstacle field. Exit onto the A24 where you entered and turn right.

Take the next right onto the B2135 signposted Partridge Green.

After 0.6 miles turn right into lane (signed 'Parish Church' and 'St Georges West Grinstead')

The obstacle field is a short way down this lane on the right.

Please respect the privacy of residents and do not stray into the immediate vicinity of Glebe House itself.
