

Glebe House Regional & Club 24/25th July 2021

Vital: before you leave home

- 1. You must send a photograph of your horse passport(s) showing the latest flu vaccinations to admin@brockhamharnessclub.co.uk**
- 2. You must complete the Horse Health Declaration form in the 24 hours before you arrive at the venue. Fill the form in online at tiny.one/healthdec**

These are steps mandated by BEF to control the spread of equine flu. If you have not completed these two stages, I'm afraid you will not be permitted on the showground.

Covid Guidance

Although the restrictions in England have relaxed we would politely like all competitors to still take measures to keep everyone safe. These can be found in the Covid Guidance document. It is strongly recommended that you and anyone travelling with you takes a lateral flow test the day you travel to the event. If you or anyone with you begins to feel unwell while at the event, please do not mix with others, if possible take a test and alert the organisers by mobile communication.

Cones and Obstacles

Cones and obstacles will be available for walking from Friday 1pm
As a Covid precaution, please do not walk cones or obstacles if they already look busy. Please move outside the cones or obstacles if you want to chat things through.

Any car entering the event is only permitted to travel to and from the designated lorry park. Cars are strictly prohibited from all other areas, including to and from the obstacles. The exception is officials' vehicles.

If you want to take your car nearer to the obstacles (and we advise you don't it would be quicker to either walk or cycle) you must go via Bassells Lane back out onto the A24. Head North towards Horsham, then turn off down the B2135 signposted to West Grinstead and Partridge Green and then turn right for signposted for Glebe House and St George's Church. Along here on the left is the field the obstacles are in which you must park in and then walk to the obstacles.

There will be no access to the obstacles for Quads except by separate arrangement.

You can walk or cycle to the obstacles following the signed from the dressage field. If unsure just ask the secretary.

Dressage & Cones

Please let the arena steward know you are there at least 10 minutes before your scheduled start time. After you have completed your dressage test, please make your way to the cones arena and let your arena steward know you are available. We have tried to make the timing for the cones work as well as we can but this will rely on you making your way there promptly. You will have your carriage measured on leaving the arena, so please follow the steward's instructions for this.

Pre Novice and Novice Dressage

There is a required safety check 30 minutes before your dressage time, Please ensure that you present yourself to the judge who will be near your arena so that you can be assessed prior to your dressage.
