# Welcome to our first GECDC National 2-day event!

The Glebe Estate Carriage Driving Club is very pleased to welcome everyone to our very first National 2-day event. Newly formed in January 2026, the mission of GECDC is to create an inclusive and inspiring community for carriage drivers of every level, using the superb facilities at Glebe Estate.
We are very fortunate to be able to be able to use the beautiful Glebe House for this event by very kind permission of Tony & Jane Robinson.

We all hope that you have a great time, enjoy Glebe, enjoy the competition and will come back and see us next year!

## Our Sponsors

Without our Sponsors, the event would not be a success, our thanks to:

| | | |
|---|---|---|
| HJ Burt Estate Agents | Bennett Farm Fencing | Premier GT |
| Lord and Lama | Westons Farm Shop | JB Arenas and Gallops |
| National Farmers Union | Guildford Tipper Hire | Mcveigh Parker |
| Poly Jumps | Jack in a Box | |

## Safety for us all

It is important to GECDC that all our visitors have a great time and are safe throughout their visit.

- We are individually responsible for the safety of ourselves and each other, whether driving, riding, helping, or watching.
- It has been a very dry summer, BBQ's, campfires or similar are not permitted.
- Please remember to place your fire extinguisher close to the groom's door for ease of use
- There is a waste tank for emptying portable toilets, please do not empty them to the portable toilets
- Motorised vehicles (inc quad bikes) must be insured and carry the correct number of passengers, hard hats must be worn at all times
- Please make yourself aware of the most recent BC / FEI guidance for competing in hot weather.

## Equine Influenza

Please remind yourself of all the guidance around Equine Influenza, most notably

- Glebe is home to many horses including foals, any animal that does not have current vaccination will not be able to unload and compete
- Please make yourself aware of the most recent BC / FEI guidance in relation to Equine Influenza and competing in hot weather.
- In accordance with the BC guidance, please avoid sharing grazing (e.g. hand grazing) or handling other people's animals.

## Animal Welfare

The Club subscribes to the British Equestrian Chart for the Horse and British Carriagedriving's guidance on Social License to Operate. Any person found to be in breach of the British Carriagedriving rulebook on Horse Welfare (Chapter 1, Article 900) may be asked to leave the event and venue.

## Be a good neighbour

Glebe Estate is home to many families and wildlife; there are also footpaths and bridleways meaning we can bump into lots of different people and animals who are also enjoying the land. Please remember to be good neighbours on the lorry park / campsite too.

Please note:

- Drive lorries & cars slowly down the lanes to get to the event field and when leaving
- When driving or riding horses be polite to all you pass – whether in the fields or quiet lanes.
- Avoid loud music, loud conversations or shouting late at night
- Please walk your turnout through the lorry park
- Be aware of animals being put too / taken out of their vehicles around you
    - this is often when accidents happen
- Dogs are very welcome but must always be on the lead. Please clear up after them and dispose of bags appropriately - not in the muck trailers / heap.
- Do not leave dogs in hot vehicles, ask for help if you are struggling with your dog
