There have been high profile reports of tack and other items going missing at many shows & events at various venues and showgrounds. It is possible that we could also have uninvited guests looking for items, therefore it is important that everyone is aware and takes responsibility for the security and safety of their personal items and equipment.

- Ensure that all equipment is secure before leaving your lorry/trailer/caravan, this includes carriages, harness, whips, etc. including when competing.
- Arena UK or ICD will NOT be held responsible for any losses of any kind.

THE SATURDAY EVENING CHALLENGE STARTS HERE!!

ICD-UK Championship's Wheelbarrow Challenge

On Saturday evening of the ICD-UK Championships, we will be holding the Wheelbarrow Challenge again. **Each Region** is invited to put forward as many teams as they want to take part in this unusual relay race. We hope that you will get together with your regional teammates and join in - everyone is welcome to take part. Whether a driver, backstepper, family member, organiser, helper or crew!

What do you need? Each 6-man teams as their own wheelbarrow, they split into 3 pairs for the rely

What is the Challenge?

- Each pair will hold one barrow handle each and then navigate their wheelbarrow through a short course of cones
- When they cross the finish line, the next pair will take over the wheelbarrow and repeat the course - a speedy changeover of drivers will be vital!
- When all 3 pairs have completed the course, the clock stops.

The usual indoor cones rules apply, there will be penalties for knocking a ball down.
We do not expect there to be back steppers in the wheelbarrow though!

There will be prizes for the successful teams.
