## Welcome to the Indoor Championships!

Many congratulations on qualifying. I know from my visits to a number of regions this season how hard you have all worked to get here. My fellow committee members and I very much hope that you and your equine partners enjoy the weekend.

We have tried to take on board the feedback from last year's championships and hope that you will see that reflected in the way this year's championships have been organised.

We have also tried to ensure there is a greater sense of community and opportunities throughout the weekend to meet socially. The first occasion will be on Friday night when you are invited to join me at the bar for a welcome drink. I do hope to see you then.

And as ever I welcome any thoughts you have on what more we should be doing to ensure that indoor carriage driving remains safe, enjoyable, and indeed sustainable.

*Hugh Scott Barrett*
