

Indoor Carriage Driving-UK Championship Qualifier – Sunday, 29th October, 2023

Beechwood EC, Rettendon Common, Chelmsford, CM3 8DY

Thank you for your entry!

We want everyone to enjoy the event safely. Please read these notes – tell your friends, if they are coming to watch, they are welcome!

CAFÉ – is open all day for drinks, light meals and refreshments.

PARKING FOR HORSE TRANSPORT

The parking area at the front of the arena is not large and we'd like you to keep 5-6m between horseboxes/trailers and towing vehicles.

People arriving later with their horses can park more comfortably by following the signs, going past the left hand end of the arenas and going down to the 'runway', which is hard-standing suitable for horseboxes and trailers. You can turn round at the far end of the runway. Please park neatly. If you drive on the grass you will sink and get stuck!

CARS – PLEASE DON'T PARK IN THE FRONT CAR PARK

No cars are to be parked in the front car park. Please park neatly at the left end of the warm-up arena or go down to the runway.

SAFETY

We are all responsible for our own safety: please be considerate towards others at all times.

Park your carriage neatly next to your trailer or horsebox when not in use, so it's out of the way.

Please walk your horses in the horse parking areas and always ask for permission before you come past anyone putting to or taking out.

One-way system – please see the maps.

HOUSE-KEEPING

There are a number of bins for horse droppings – please use them promptly for your own and for any 'left behind' unclaimed droppings nearby! If we all clear up as we go, it keeps the place neat and we will stay popular. This applies especially in the warm-up arena.

Hay-nets – are only permitted inside your horsebox or trailer if you are in the main car park.

MAPS – coming shortly!
