

COMPETITORS LETTER

Thank you for your entry! Please read this so we all stay safe and Beechwood will want us to come back.

We want everyone to enjoy the event safely so please read these notes and study the maps (online and on the noticeboard).

Main points:

1. Please park neatly and as close as is safe: space is tight **(no cars in the horsebox park)**
2. Say hello to the steward at the warm-up arena and be ready at least 10 minutes before your start time
3. **Pick up all (not just yours!) horse droppings** as soon as they are produced in all areas – especially in the warm-up
4. No haynets outside your lorry or trailer – and please sweep up every scrap of hay, etc., before you leave

Your friends are all welcome to come and watch, free – because there is limited parking, we ask that all cars are parked either at the end of the outside arena or down on the hardstanding, near the 'runway' in the field beyond the arenas. There is a pedestrian short-cut to the arenas.

CAFÉ – is open all day for drinks, light meals and refreshments, in the viewing gallery upstairs.

PARKING FOR HORSE TRANSPORT

The parking area at the front of the arena is not large so please minimise the space between horseboxes/trailers and towing vehicles – with safety in mind.

People arriving later with their horses can park more comfortably on the 'runway' hardstanding. Please follow the signs, go past the left hand end of the arenas and stay on the track going down to the 'runway'. There is hardstanding suitable for horseboxes and trailers. You can turn round at the far end of the runway (see map).

Please park neatly. Don't drive on the grass - you will sink and get stuck! Please see the maps provided.

CARS – PLEASE DON'T PARK IN THE FRONT CAR PARK

No cars are to be parked in the front car park. Please park neatly at the left end of the warm-up arena or go down to the runway.

SAFETY

We are all responsible for our own safety: please be considerate towards others at all times and do as the stewards ask.

Please be ready to go into the arena when asked. You may be asked to go in early if people are late or withdraw on the day.

Park your carriage neatly next to your trailer or horsebox when not in use, so it's out of the way.

Please walk your horses in the horse parking areas and always ask for permission before you come past anyone putting to or taking out.

One-way system for drivers– please see the maps.

SIGN IN – CHECK FOR CHANGES – “HOUSE-KEEPING”

Please see the noticeboard in the foyer to sign in, check for any late changes, get your bib, and to read the notices.

- There are a number of bins for horse droppings – please use them promptly for your own and for any 'left behind' unclaimed droppings nearby!
- If we all clear up as we go, it keeps the place neat and we will stay popular. This applies especially in the warm-up arena and parking areas.
- Hay-nets – in the main car park, haynets are not permitted outside your horsebox/trailer.

Any other questions or issues, please contact me – 07710 467774

Thank you!

Fiona Powell, East Anglia region ICD-UK organiser
