Indoor Carriage Driving UK - East Anglia Region Championship Qualifier

Saturday, 16th March 2024 – Beechwood EC

Thank you to everyone for your entries and much-valued support this season. Please note that we are planning to run our last event with some changes.

We will run three separate phases, all indoors: *cones and obstacle start times are approximate.*

9-10:40 Precision & Paces

11:20 Cones – drive in number order: allow 2-2.5 minutes per competitor before you

12:30 Obstacle driving – in small groups, as usual.

Because we are running three phases in the traditional way, be prepared for a slightly longer day. If you can spare some free time to help steward, that would be really useful, too – please speak to Richard or Lyn Spurgeon to find out how you can help on the day. If you need to leave early, please let me know ASAP and I'll do my best to schedule you conveniently.

You can help to keep things flowing smoothly by being vigilant, staying near the end of the warm-up arena when the driver before you is called and being ready to roll.

CONGRATULATIONS to all our drivers who have qualified for the British Indoor Carriage Driving Championships 2024. If you are an intermediate, veteran or open class driver and you'd like to drive the open P&P test instead of the qualifier test, please contact me ASAP and we can offer this for you.

The café will be open as normal. Please enjoy their healthy tasty meals, drinks, cake and refreshments!

Do invite your friends to come and support you, watch, cheer! Ask them to park at the far end of the warm-up arena because we want to keep cars and horses apart, so we're all safe.

Rosettes to sixth place and Donna and Samii Moncur's lovely backstepper ribbons will be presented at the end of the event – plus some snazzy certificates for our points league winners, so please stay!

Any queries or issues, please contact me as soon as you can.

Thank you, Fiona
