Competitors' letter – Sunday, 18 February, 2024

Welcome! When you arrive…

- o tick your name on the list next to the noticeboard (at the forest end of the arena)
- o check the day's running orders – for P&P and cones and obstacle groups
- **o check your time and number** – take your bib

If you have any issues or queries, please ask a steward – or tell us as soon as…

You can use our number bib or bring your own. The groom on the carriage or a solo small pony driver wears the bib. Please make sure the number is clear on the front and back – so it's easy for stewards and scorers to see – and return the bib after you've finished.

You can help to keep the event running smoothly by being warmed up at least ten minutes before your time and being ready to go into the arena if you are asked to go in early.

Rosettes are awarded to sixth place so do stay for the presentation at the end.

VERY IMPORTANT!
Please pick up your horse's droppings immediately (and any nearby) anywhere on site, especially in the warm-up arena. Our stewards are there to run the event, not to clear up.

Keep the area around your horsebox or trailer clean and tidy throughout the event and clear away every scrap of hay before you leave – so we will be welcomed back. Thank you!

There is an **excellent cafe** – which serves refreshments and meals. Do support it! And there is a cosy sitting room, too.
Matt Smith Photography is coming – please say hello and buy some of his lovely photos!

Spectators are welcome, free, and a supportive audience adds to the atmosphere, so ask your family, friends and neighbours to come along to cheer and clap?

Health & Safety…

Please park 5 – 6m away from the next vehicle and with consideration for neighbouring horses.

Park your carriage alongside your horsebox or trailer when you're not driving.

Ask before you pass anyone putting to or taking their horse out of the carriage.

All cars, for safety, are best parked in the area near the cafe entrance, away from the horses and not in the horsebox park. Please let your friends know.

Our next events
Forest Edge: Sunday,10 March
Easton College, Norwich: Sunday, 3 March
Beechwood, Chelmsford: Saturday, 16 March
All free to watch!

Thank you, the Forest Edge Indoor Driving Team 17/02/2024
